

15 UPDATING THE FIRMWARE

General (Continued)

- Click **Save as** in the displayed File Download dialog.

- Select the location where you want to save the firmware, and then click **Save** in the displayed File Download dialog.
 - The file starts downloading.
 - The firmware and the firm utility are compressed in a "zip" format folder. Unzip it before use.

◇ Unzipping the firmware folder

- Right-click the downloaded firmware folder (zip format).
 - Right-click menu is displayed.
 - Click "Extract All...".
 - After unzipping, a folder is created in the same location as the downloaded folder.
- ① In the "7300_*" folder, "7300_*.dat" is created.
* represents the release number.
